

UNCOMPROMISING SOLIDARITY

WITH ALL REBELS FACING REPRESSION

AGAINST TRUMP AND ALL AUTHORITY

Trump rally,
Huntington
Beach,
March 25th

As the last year of social conflict has intensified, repression has been right behind. Hundreds face riot charges from January 20th in Washington D.C. A secretive grand jury is investigating water protectors in North Dakota. Fierce confrontations against rallies of Trump supporters have ended with more rounds of charges on the brave rebels all across the country. **We stand by these comrades unconditionally.**
